en —

Make your walls come to life by “wallscaping” them with panel mouldings. Integrating indirect lighting, visually changing ceiling height, adding character and bringing symmetry, our panel mouldings are the ideal addition to your home.

it —

Dai nuova vita alle tue pareti “ridimensionandole” con le cornici parete. Integrando l'illuminazione indiretta, cambiando visivamente l'altezza del soffitto, aggiungendo carattere e simmetria, i nostri pannelli sono il complemento ideale per la tua casa.

pt —

Dê vida às suas paredes, decorando-as com painéis. A integração da iluminação indireta, a alteração visual da altura do teto, a adição de caráter e de simetria fazem com que os nossos painéis sejam o complemento ideal para a sua casa.

ro —

Insuflați viață pereților creând o „peisagistică” pe aceștia, cu ajutorul profilelor de tip brau. Prin integrarea iluminării indirecte, prin schimbarea percepției vizuale a înălțimii tavanului, prin acel plus de caracter și prin crearea simetriei, profilele noastre pentru ancadramele reprezintă completarea ideală a locuinței dumneavoastră.

Oživte své stěny metodou „wallscaping” pomocí lemovacích lišt. Lemovací lišty jsou pro váš domov ideálním doplňkem – integrují nepřímé osvětlení, vizuálně mění výšku stropu, dodávají prostoru charakter a symetrii.
